

Warm up your vehicle without idling.

BlueHeat® Application List

Coolant Heater Applications

Table with 7 columns: Make, Model, Year, Engine, Heater P/N, Vehicle Specific Installation Kit P/N, Heater Type. Rows include various vehicle models like Chevrolet Silverado, Dodge Ram, Ford Excursion, and GMC Sierra.

Note 1: Must undergo Webasto specialized training for generic kit application prior to ordering kit.

Note 2: Heater is mounted under the air cleaner assembly, next to the radiator.

Note 3: Heater is mounted on the left framerail.

Warm up your vehicle without idling.

BlueHeat® Application List

Coolant Heater Applications Continued

Table with 7 columns: Make, Model, Year, Engine, Heater P/N, Vehicle Specific Installation Kit P/N, Heater Type. Lists applications for Mercedes-Benz and Volkswagen.

Air Heater Applications

Table with 7 columns: Make, Model, Year, Engine, Heater P/N, Vehicle Specific Installation Kit P/N, Heater Type. Lists generic air heater applications for Utility Van and Camper.

Note 4: Mercedes E Class 211, manufactured after March 1, 2007 (with 65L and 70L fuel tanks) are not equipped with a fuel line fitting on the tank like previous models.

Note 5:

- Heater kits are available for vehicles assembled prior to May, 2007 only.
Recommend new fuel access cover (Mercedes P/N. 251-616-0089) be on hand prior to kit installation.
