

**6 Motor Massage System**  
**SCS Part Number SCS6MB**

<b>Quantity</b>	<b>Component Name</b>	
6	Massage Motors	
1	Wire Harness with controller	
1	Wireless Remote	

**Design Specifications:**

- 6 Massage Motors
- Wire Harness with controller
- Wireless Remote

**Performance:**

- Input voltage 13.8 volts
- Current draw 2.0 amps maximum
- 9 Distinct massage patterns when “M” (Mode) button is pushed 9 times
- 5 Different Intensity levels when “I” (Intensity) button is pushed 5 times
- Cycling of all 9 modes (see above) when “A” (Automatic) button is pushed once
- 4 Distinct massage zones when “Z” (Zone) button is pushed 4 times
- Red LED Illuminates when green power button is pushed
